Weekend Hospitality Donations
Baked goods and bite-sized treats are needed each weekend for hospitality after masses. Please bring donations marked “Hospitality” to the kitchen. Contact Sue at 847-907-3443 with questions.
Think about a partnership that you are involved with. Think about a pact that you have made with someone else. Think about an endeavor in your life that requires a significant commitment to teamwork or collaboration. Perhaps it is the commitment of marriage, or the vow of fidelity. Think about an enterprise that you are involved with, or perhaps a significant partnership or collaboration at work. A sacred word from our Judeo-Christian heritage that captures this kind of connection is COVENANT. In fact, the major event of the Old Testament unfolded when God reached out and made a covenant with the Jewish people in the midst of their journey from slavery to freedom. God promised a partnership with us in that covenant.

As we celebrate the Feast of the Body and Blood of Christ this weekend we will hear the word COVENANT a lot. In our first reading from Exodus, Moses says, as he sprinkles blood on the people, “This is the Blood of the covenant that the Lord has made with you, in accordance with all of these words of his.” In the second reading from Paul’s letter to the Hebrews we hear, “When Christ came as a high priest…..he entered once for all into the sanctuary…with his own blood, thus obtaining eternal redemption.” In the Gospel of Mark we hear of Jesus, “Then he took a cup, gave thanks and gave it to them, and they all drank from it. He said to them, ‘This is my blood of the covenant.’”

We tend to emphasize the Body of Christ in the form of bread more than the Blood of Christ in the wine. Both are essential and we will be pleased to offer a unique form of prayer with the monstrance holding the consecrated host of the Body of Christ in our courtyard following 11:00am Mass this weekend. I want to thank those who are a part of our Eucharistic Adoration Chapel for coordinating the procession to the courtyard, and the care for our Adoration Chapel all year long. However, I would also like to encourage you to consider the importance of the cup containing the Blood of Christ and the Blood of his covenant with us.

When we receive from the cup we are not simply receiving the Blood of Christ. As our three readings this weekend point out—we are receiving and holding the Covenant. Receiving the Body of Christ in the host is a very holy receiving. Taking the cup is a holy exchange. We take, we drink the reality of the Blood of Christ shed for us, and then we give it back. In this exchange, the blood of the Covenant Cup is truly shared and held and passed. The Blood of Christ becomes a part of our body as we drink it, and this is similar to the consumption of the host. The Cup of the Covenant is shared in a slightly different manner, giving forth a grace of exchange that mirrors the covenant between the divine and the human, between God and us, cementing the divine/human enterprise that is our faith.

In recent weeks we have asked all of you to prayerfully reflect on your God given talents, skills and gifts. This is a very real way to extend that holy Covenant between you and God. Hopefully you are surfaced some things in your life that are not only gifts, but because you have identified their source as God that you now are realizing that they are truly treasures. In identifying them as treasures, I hope that you are also aware that they have great value. The treasure chests that are in front of our altar are visual reminders of the great value of these treasures in your life, and the source of them is God who gives all gifts. Some of your treasures may be small, some may be great, but there are needs in our church and our world that can be addressed if you share your treasures to enhance, enrich and to simply make the world a better place and, yes, a holier place.

Please be attentive to the further instructions that you will be given at Mass to connect the needs of our community and the treasured gifts that God has given to you.

We congratulate many of our parishioners who are graduating or have graduated from various educational institutions ranging from kindergarten to universities during the month of May and now into June. We would like to congratulate the 25 students who graduated from Holy Family Catholic Academy last week. Our Graduation Mass took place on Friday evening during which our graduates received diplomas. I want to thank the faculty, staff and parents who have encouraged them during their time of Catholic faith-based learning here, and we wish them well as they move on to various high schools in our community.

I am pleased to announce that Brian Michalski has accepted the position of Director of Liturgy. He has been with us for three months as an Assistant Director in the Worship Office on a part-time basis and now his responsibilities will be full-time. Brian has been well prepared as he earned a Masters in Theology with a concentration in Liturgy and Spirituality from Catholic Theological Union on Chicago’s south side.

As we return to Ordinary Time next weekend you will notice that the podium that has been used to proclaim our Prayers of the Faithful (also sometimes called petitions, prayers of the people, general intercessions) will be removed. There have been several factors that have gone in to making this decision, including the fact that we need a bit more room in our sanctuary, the location of the podium is a bit awkward as there is a step immediately next to it, and parishioners on the east side of the church have some difficulty seeing the readers at the podium. Proclaiming both the scriptures and the Prayers of the Faithful from the ambo addresses all of these issues and, quite frankly, makes all proclaiming more prayerful.
Ordinary Time - Liturgy of the Word

Starting next weekend, June 13-14, we return to celebrating Ordinary Time. We will also be making some minor changes to the way we celebrate the Liturgy of the Word.

The first change is how the Prayers of the Faithful book is carried in the gathering procession. The Prayers of the Faithful book will be carried in a horizontal position as an offering of our prayers from the Holy Family Catholic Community. This is a distinction from the Lectionary, the Word of God that is proclaimed, and is carried in a raised, vertical position.

The next thing you will notice is the ambo will be moved to the right of the altar (as you enter the church) and the Prayers of the Faithful stand removed. The ambo is where the readings are proclaimed and now, where the Prayers of the Faithful will be read. The ambo is being moved to align with the altar as both places are where we are nourished by the Word and the Body and Blood of Christ - both equally important, both food for our souls. It also allows for more visibility as the Prayers of the Faithful are read without a section of the assembly behind the proclaimer.

Finally, a moment of silence will be observed after the proclamation of the first and second readings. We observe the silence and pause to let the Word proclaimed wash over us and then move seamlessly into the singing of the Psalm and the Alleluia respectively. So when you see the Proclaimer and Table and Light Minister remain at the ambo after the first and second reading is proclaimed, nothing is wrong...rest in the moment of silence.

Mass Coordinators Needed

The worship community is recruiting volunteers to assist with weekend masses. Mass Coordinators serve one mass per month scheduled in advance. It is a great way to be more involved in the worship experience at Holy Family. Coordinators work with church staff before, during and after each mass. Training is provided.

Proclaiming the Greatness of God

Two weeks ago, over 25 proclaimers attended an evening of reflection and renewal (as they enjoyed a home-made hearty Italian dinner) and reflected on the theology and spirituality of serving as a minister of the Word for our community. Holy Family is fortunate to have an active group of 60 proclaimers. Last weekend, many of the proclaimers participated in the Rite of Recommissioning and Commitment. Another evening of reflection will be held in September for those who missed the reflection evening or wish to become a proclaimer. If you are interested in learning more about becoming a proclaimer, especially teenagers, please contact Sherri Deluca, Proclaimer Lead, at 847-359-2831/deluca35@comcast.net. Proclaimers are especially needed at the Sunday evening Mass.

Word from the Pew:

Why do you go to Mass? Why do we celebrate the liturgy?

A couple of weeks ago we asked: “Why you attend Mass?” Here are some of the replies (abbreviated):

"Going to Mass every Sunday makes me feel good... There is no better feeling than what I experience at HF Mass and it stays with me all week so I can share the love and joy with others. Holy Family has been the cornerstone of my life for over 20 years and I am truly blessed to be part of the community. I am a Eucharist Minister; it is an honor to share the body and blood of Christ with my Holy Family brothers and sisters." - K.K.

"I attend Mass because I like being part of the community." - S.A.

"...The liturgy whether I attend an evening weekday Mass or Sunday morning Mass helps me to relax and helps me to enter a space where I can pray, sing, and share...". -P.W.

"...It challenges me to be a better person. I sometimes sit in church and think about my past week and the week ahead of how I can be a better person that is in line with the teachings of Christ." -M.M.

“...It’s been a tough year for me at Holy Family, I’ve questioned leaving, but I choose to stay because this is my home, I’ve been here 15 yrs, and I love the community. The liturgy helps me to connect to others especially before and after in the narthex”. –C.C.

"The music, community, preaching all inspire me to want to come to Mass. I feel different, for the better after…” –A.F.

Children’s Liturgy of the Word (CLW) Leaders Needed

Are you interested in becoming a part of this ministry? The CLW ministry presents the Word during Mass in a way that children hear, see, and understand and explores the meaning of the readings in the lives of children ages K-5th grade. CLW meet during the Liturgy of the Word during the 9:00 am and 11:00 am Sunday Mass in the Holy Family Chapel from September through May. Training is provided and no experience is necessary, just a desire to share your faith with children in the grades K-5. We welcome facilitators 18 years old or above and assistants 12-18 years old. Time commitment is at least one Sunday per month. For more information or to join, please contact: Peter Cunningham; Cunningham_peter@sbcglobal.net, Jill Piccolino; jpicolino@holyfamilyparish.org or Brian Michalski; bmichalski@holyfamilyparish.org.

Annulment Support

Thinking about an annulment? Want more information on the process? Already decided to begin but need some help and support? We’ve been through the process ourselves, have completed Archdiocesan training and have helped other petitioners through the process. We’ll provide you with an application, tell you what to expect, and sign all the necessary documents.

Question: What must be proven to get an annulment?

Answer: It must be proven that when the couple exchanged consent an essential element of marriage was lacking even though it may not have been evident to the couple at that time.

What is Bible Journey?

Every year we take a journey through Scripture on weekday mornings with a Scripture Scholar. There is also a small group component to this experience. Participants are given Bible passages to read and questions to ponder prior to meeting in the morning. The first hour of Bible Journey is dedicated to small group discussion of the prepared questions with a trained facilitator. After the hour of discussion, a Scripture Scholar presents for an hour on the section of the Bible that was assigned. This has been an extremely popular program for many years at Holy Family. Our 9:45 am start time allows you to attend 9:00 daily Mass if you wish.

Stay tuned for details for our 2015-16 Bible Journey Program...

We will keep you posted on other projects that our faith community funded through your generosity. Please continue to keep the good people of St. Paul’s in your prayers.
Prayer List Requests

Remembering our sick in prayer is important to the Holy Family parish community. With the person’s or relative’s permission, his or her name will be read aloud during the intercessory prayers that weekend. We will then place the name of a sick person who has recently become ill on the screens at the weekend Masses for the following two weeks. Should the person become more seriously ill at a future time, let us know and we will then follow the same procedure.

All the sick of our parish community and our relatives and friends who are ill can we added to our Book of Prayer in the narthex and then prayed for each and every day at Masses and by the prayer groups in our parish.

In a Special Way We Pray For...

On a stand near the chapel doors rests the Memory Book of our parish. It contains the prayer cards of those whose funerals have been celebrated at Holy Family. There is also a section for the prayer cards of those who are dear to us but whose funerals were celebrated elsewhere.

If you have loved ones whose prayer cards are not in the memory book, please put a prayer card in an envelope, address it to Matt Thibeau and drop it off at the parish office.

We are especially looking for prayers cards from services celebrated at Holy Family during the past two years and in the early years of the parish.

Eternal rest grant unto them O Lord and let perpetua light shine upon them. May their souls and the souls of all the faithful departed rest in peace. Amen.

The HOME MINISTRY team would like to keep people in our community aware of the services we offer. We are available for the occasional wellness check, need for transportation, visit or help with a meal. Our members are all volunteers and we are always interested in those who might join in this ministry or members of our community who may be aware of a need we might be able to fill.

If you would like to be involved in this ministry or know of a need call us at 847-772-2646.

Thanks to all those who have volunteered to serve.

In a Special Way We Pray For...

On a stand near the chapel doors rests the Memory Book of our parish. It contains the prayer cards of those whose funerals have been celebrated at Holy Family. There is also a section for the prayer cards of those who are dear to us but whose funerals were celebrated elsewhere.

If you have loved ones whose prayer cards are not in the memory book, please put a prayer card in an envelope, address it to Matt Thibeau and drop it off at the parish office.

We are especially looking for prayers cards from services celebrated at Holy Family during the past two years and in the early years of the parish.

Eternal rest grant unto them O Lord and let perpetua light shine upon them. May their souls and the souls of all the faithful departed rest in peace. Amen.

Preparing for Next Week:

Watch our weekly SCC reflections at https://www.youtube.com/user/HFInverness/videos. Click on Reflections on Sunday Readings 6-14-15 and listen to Fr. Terry Keehan reflect on the readings.

Reflection Questions for June 14, 2015:

1. We often take trees for granted. How does the image of the cedar tree from the first reading help us to realize the power and majesty of God’s creation and our need to protect it?

2. What do you imagine that the experience of standing before the judgement seat of God will be like?

3. What does the phrase “for we walk by faith, not by sight” mean to you? How do you walk by faith?

4. Jesus often spoke in parables to reveal to us some aspect of the kingdom of God. What do you think Jesus is trying to help us understand about God and God’s kingdom through each of the parables in today’s Gospel?

The Holy Family LGBT (Lesbian, Gay, Bisexual, and Transgender) focus group has now completed the initial distribution of its position paper and has begun receiving feedback from the recipients. After putting in nearly 2,300 hours of effort researching, educating each other and the community, discussing, discerning and crafting the paper, over 175 signatures were collected in support of the paper over the weekend of March 7/8. The first copy, along with the original signatures, was presented to Archbishop Cupich on March 10th. Archbishop Cupich is currently an alternate to the upcoming Synod in Rome on family issues where the subject of ministering to LGBT community will be on the docket. During the week of April 8th copies were also sent to all other seven Cardinals or Archbishops from the U.S. who will be attending the Synod as either a delegate, an alternate, or because of their role in the Curia.

The last individuals to receive the paper in the latter half of April were 31 individuals that the focus group's leadership team recommended; they ranged from respected Catholic educators, leaders of LGBT support ministries, an Illinois Supreme Court Justice, and other Catholic clergy both from the Chicago archdiocese and others around the country.

The October Synod on the Family will cover several other issues such as divorce, annulment, single parents, and pre-marital cohabitation and the effect it has on your faith.

If you are interested in participating in a focus group on one of these issues, please contact Sue Geegan, Holy Family’s Director of Outreach and Justice at 847/907-3443 or sgeegan@holyfamilyparish.org

Holy Family is thrilled to announce a new, vibrant family centered liturgy!

Young Family Prayer is a new Sunday worship experience designed to meet the needs of families with young children. Families gather in the chapel for music, prayer, and communion. Snacks and craft time follows in the Common Ground meeting rooms.

Young Family Prayer is offered the last Sunday of the month at 10:15. The next service is June 28.

"The first service was a huge success. My son, Jay, is three and a half. Later that week, Jay told me he had Jesus in his belly. The stickers letting kids know Jesus was in their heart stuck for him. I asked Jay where he learned this and he said his new church. He called Holy Family his new church!

Jay walked up to communion with me at the prayer service. He asked me what I was eating when we sat down. All the times he has walked up to communion with us, this is the first time he ever asked about it! I like to think it was the open environment that encouraged him to inquire. I am thrilled to see him engaging at a new level.

Thanks again and congratulations on meeting a critical unmet need for our families."
