Creating Spaces of Hope and Healing

The Faith and Racial Justice Alliance is excited to invite you to our next event: Creating Spaces of Hope and Healing. We are pleased to again welcome Fr. David Kelly, CPPS, Executive Director of Precious Blood Ministries of Reconciliation (PBMR) to facilitate the evening.

This organization serves youth, families and community members that reside in Chicago's Back of the Yards/New City and Englewood neighborhoods who are impacted by violence and the criminal justice system. PBMR also works directly with men and women who are impacted by violence and the criminal justice system and with men and women who are currently incarcerated.

The mission is rooted in the spirituality of the Precious Blood, to restore human dignity through hospitality, hope and healing.

Through prayer, reflection, and listening to each other in thoughtful engagement, we intend to raise awareness, educate and open the doors to action, whatever direction that might take. Our time together as a community offers us a chance to learn and grow, creating energy and inspiration for how we can interact in the world.

Space is limited Register in your Holy Family Realm account or use QR code.

We hope you can join us for this special opportunity.
