Dear Fr. Terry Keehan, Sue Geegan & Holy Family Community,

With hearts full of gratitude, the entire community of Immaculate Conception School wishes to thank each of you for your extraordinary generosity, prayers, and support during our journey of rebuilding.

Your kindness has been a powerful reminder that the Church is one family united in faith, hope, and love. Even though many of you are far away, your compassion has reached our students, families, teachers, and staff in a deeply meaningful way.

Every gift you have shared is helping restore more than buildings. You are helping restore hope, strengthen our educational mission, and provide a safe place where our children can continue growing academically, spiritually, and personally. Your generosity is an investment in the future of our students and in the future of our Catholic community.

In moments when the road ahead seemed uncertain, your support reminded us that God never abandons His people. Through your kindness, we have experienced His loving care and the beautiful solidarity of the Catholic Church.

On behalf of every student, every family, every teacher, and every member of our school community, please accept our sincere and heartfelt thanks. We remember you in our prayers each day and ask the Lord to bless you abundantly for the love and generosity you have shown to us.

We are especially grateful to Catholic Extension for serving as a bridge between compassionate benefactors and communities like ours. Because of your faithful commitment, hope continues to flourish in Guayanilla.

May God richly bless you and your families, and may the Blessed Virgin Mary always keep you under her loving protection.

With sincere gratitude,

Carmen Alicia Rodríguez Echevarría
Principal
Immaculate Conception School
Guayanilla, Puerto Rico
