*We always want to know what
you are thinking and feeling.*

Letter from the Director

Dear Parents/Guardians,

Our young people have been charged with *'recreating the world as we know it'* and they have energetically embraced that calling. **What we say and do, the way we shape and form them is our calling.** The young are looking for an authentic spirituality and credible religious expressions of that spirituality to guide them in their life's work.

Our children and teens live in a world that is both exhilarating and dangerous. Every dimension of human experience is undergoing substantive change. As we work more forthrightly to acknowledge and integrate diverse perspectives and practices, controversy has become part of everyday life, demanding wiser, more nuanced responses. Long held beliefs and cultural and moral boundaries are in flux, many already deemed untenable. It is difficult to put into words our personal convictions. This means Religious education has to be fundamentally reconceived – the tried and true of earlier times is no longer effective. I want you to know I am committed to providing innovative approaches to Religious Education and more compelling faith formation experiences.

As I write this letter to you, I am keenly aware of the profound impact of recent disclosures regarding the sexual abuse crisis in the Church. The Philadelphia Grand Jury report opens with a clearly stated truth

"We, the members of the grand jury, need you to hear this. We know some of you have heard some of it before. There have been other reports about child sex abuse within the Catholic Church. But never on this scale. For many of us, those earlier stories happened someplace else, someplace away. Now we know the truth: it happened everywhere."

I have already heard Bishops argue that the Church that produced the crisis is not the Church of today. It is true that protocols and procedures have been put into place to protect young people, yet the root of the crisis, the failure of Church leadership to act quickly, decisively, and with total transparency, remains. I pray that this time around the leadership will demonstrate the moral courage required to heal a broken Church and restore our trust.

I wish I could guarantee that no child/teen would ever be abused in this way again by the Church; I cannot. I can say along with the leadership of Holy Family that we are committed to a zero tolerance policy with regard to incidents of sexual abuse. We stand united in demanding accountability from abusers, from those who allowed abuses to occur, and in demanding objective, third party based investigations to root out the truth and hold violators accountable.

I ask for your continued support and active participation in our on-going working partnership to provide ever more engaging and meaningful opportunities for religious education and faith formation. Thank you for your thoughtful and astute feedback as well as your countless hours of service to the Faith programs. Please continue to share with me with your feedback and your ideas for how to improve the programs.

Respectfully,

Peg Hanrahan

WELCOME TO THE 2018-2019 FAITH AND TEEN PROGRAMS!

Look over this handbook carefully. All our policies and procedures are outlined within. All of the class schedules are included here as well. (If you have not received this year's FTF magnet schedules or would like an extra one just ask.) Parents or guardians will be asked to electronically sign acknowledging receipt of the handbook.

Communication is a priority

Communication Goals for 2018-19

- ❖ Inform
- ❖ Involve
- ❖ Engage
- ❖ Motivate

Communication is essential for any effective partnership.

Good communication is always a work in progress; there is always room for improvement. Effective communication takes advantage of multiple platforms and is:

△ Respectful

△ Clear

△ Timely

△ Concise

If we want Family & Teen (FTF) programs and events to be successful, we must have ongoing feedback from our students, catechists, volunteers and parents. If parents are to be helpful collaborators in the catechetical process, they must have ongoing feedback from their children, their children's catechists and parish staff members. Continual needs assessment and evaluation are necessary, if our catechetical ministries are to be constructive, life-giving experiences. Productive conversations with many must be a priority, if we want our catechetical ministries to grow in order to:

- ❖ challenge and inspire our current students and catechists,
- ❖ be flexible and sensitive to the variables that impact our students (i.e. schedules, ability levels...),
- ❖ encourage and foster the domestic church (see page 12),
- ❖ meet emerging needs,
- ❖ take advantage of advances in the fields of Religious Education and Faith Formation,
- ❖ integrate with other ministries in our faith community.

Communication platforms we use

Face-to-face Encounters are invaluable, even in this digital age. They

- are a richer experience of interaction that fosters connection and a sense of community,
- lay the foundation for trust because the exchange includes both verbal and non-verbal cues allowing for the perception of thoughts and feelings and are far more effective when addressing sensitive issues/concerns,
- foster engagement and build collaborative environments,
- minimize the risk of miscommunication and provides an opportunity to clarify.

How many times has an email, text or tweet been misunderstood, misread or perceived by another party to be rude or defensive when that wasn't the intention?

Individual meetings are always encouraged. The FTF staff is always available to speak with Parents, Catechists and students. Faith Staff members are present when the programs they coordinate are meeting. Dr. Peg is present at all FTF programs. Catechists are available after class to speak with parents. If your question or concern can't be addressed right then and there, a mutual time to meet can be arranged. You can always reach staff by email or their direct office number found on the Staff Directory at the beginning of the Handbook.

Parent Meetings & Family Events are a staple of Religious Education Programs. These are conducive to community building, prayer, sacramental formation, adult education, program information, needs assessment and evaluation.

- **Home School Parent Introductory Meeting** – Parents choosing to home school their child/ren for Religious Education this year you must attend the Introductory meeting - **September 12th, 7-8 pm in the Faith Office**
- **Opening Parent Meeting and Open House** – **September 9th, 10:40am- 12 noon OR 5:30-7:00 pm**
This is the first class session for Adam's Apple, Family Faith, IGNITE & FLAME. While their children/teens are in class Dr. Peg will speak with all parents about the new initiatives in our programs this year and review our safety protocols. Parents will have a chance to ask questions, pick up any forms they still need to turn in and hear about opportunities to volunteer in the program. The last half hour they will have a chance to visit their child/teen's class. Parents whose child attends a Wednesday class are asked to come to one of the Sunday meetings. They should make time to introduce themselves to their child's catechist at the first class on Wednesday, September 12.

It is important that parents meet their son or daughter's catechist. The catechist is our first line of communication with you. These men and women will be able to serve you and your child/teen more effectively if they have a relationship with you. You will be able to ask questions and clarify with them their expectations for you and your child/teen. They will be able to hear directly from you about your expectations of them.

Catechetical Sunday – 3rd Sunday of September

Every parish in the United States celebrates the role that each person plays, by virtue of Baptism, in handing on the faith and being a witness to the Gospel. At Holy Family we will celebrate Catechetical Sunday through the following events

- ✚ Parents and Grandparents are commissioned at all the Masses (you are their first and best teachers!)
- ✚ Catechists are commissioned at the 9am and 4pm Masses

Parent Sacramental Meetings

- **First Eucharist Parent Meeting** – Wednesday, September 26, 7:30-9pm in the Church **OR** Sunday, September 30, 10:15-11:30 am (mandatory for parents of any student preparing to receive the sacrament of the Eucharist for the first time)

Parent Advisory Board – Parents have a special role to play in the creation and evaluation of programs that are designed for their children. The FTF Parent Advisory Board will be a visible and approachable advocate for the families to the FTF Program Director and the Pastor. The Parent Advisory Board serves to enhance the FTF experience by providing the Pastor, or his delegate, and the Director of FTF with feedback, service, and support for events such as Service and Social Opportunities, Special Family Faith Events, Safety, etc. The Board consists of parents of children currently or previously enrolled in the Religious Education Program, the Director of FTF and the Pastor or his delegate. The number of members is determined by the Board on an annual basis. This group meets quarterly. If you are willing to serve on this Board contact Dr. Peg Hanrahan at phanrahan@holymfamilyparish.org / 847-907-3431.

- ✚ **The first meeting will be October 3, 7-8:15 pm in the Faith Office.**

Print and Digital Communication

- **Email** is still the easiest and quickest way for us to communicate with catechists, students and parents and the quickest way for catechists, students and parents to communicate with the FTF Staff.
- **Check the Parish Website and Teen Faith Face book** pages often for information forms and updates.
- **Parent's Place** We have created a special web-based resource for parents on our Parish Website we will be calling **Parent's Place**. This will include links to articles, webinars, podcasts, blogs, websites and videos on issues and trends impacting parenting. Parents will be able to digitally access resources for their own faith formation or for use with their families will be available. Announcements of up-coming events and ongoing initiatives for parents at Holy Family (and in the area) will be posted.
- **The Parish Bulletin** accessible in print and online carries articles and announcements weekly. Beginning this fall Family and Faith student writing and art will be published in the bulletin.
- **FTF student work will be displayed in the hallway just west of the Narthex** – these displays will be rotated throughout the year.
- **Mailings** will continue to be a way for us to communicate with families and students.
- **Program Brochures & Event Flyers**
- **Online Survey tools** will be used to evaluate events.
- **GroupMe** mobile group messaging **app** – many of the catechists use this tool to with students and parents.
- **Family & Teen Faith Dispatch**
a quarterly newsletter about faith formation, including articles by leading pastoral voices in the field, reviews of books, articles, venues, events and other resources families might find helpful in nurturing their own faith lives. *The Dispatch* will present articles on Catholic teaching and tradition, contemporary spiritual practice and trends impacting family life. It will include FTF student work and art.

This resource will be available online. If you need a printed copy, please contact the Faith Office.

Communication is a two-way process!

Let's stay in touch!

1. **SPEAK UP** – we can't address issues/concerns we do not know about. **Don't let things fester**. The sooner an issue is raised the sooner we can respond to it.
2. **CHECK-IN** - if you haven't heard from FTF in awhile, maybe we have an incorrect email address or phone number. If you change your email or phone # let us know.
3. **LET'S AGREE TO EACH DO OUR PART**
 - Letters, notes, emails and digital newsletters, have to be opened and read
 - Calls, texts and messaging has to be sent and then opened and responded to
 - Websites have to be checked frequently
 - Apps have to be downloaded
4. **OFFER CONSTRUCTIVE FEEDBACK TO THE APPROPRIATE PERSON** - Complaining to others who can't address the issue doesn't change anything. If friends of yours are unhappy tell them to reach out. If you agree with them, then you reach out.

Financial Support of the Holy Family Catholic Community

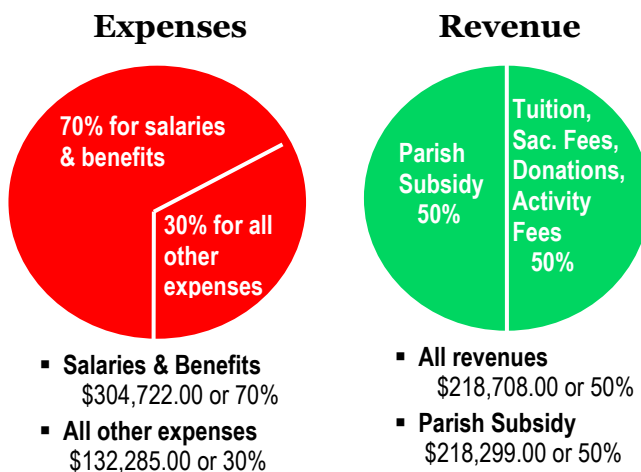

Our FTF Programs have been, and continue to be, richly blessed.

1. Hundreds of adults and teens generously give thousands of hours to our programs.
2. Holy Family has wholeheartedly embraced our ministry, especially to teens, enthusiastically supporting fund-raising projects as well as donating gifts in kind allowing us to offer a wide range of programming at very reasonable costs.
3. Individuals and families whose lives have been touched by the programs and experiences we offer have made substantial financial gifts.

All of these have allowed us to be responsive, flexible and creative to the needs of children, teens and their families.

The FTF Budget Overview for 2018-19

Projected Expenses	\$437,007.00
Projected Revenues	\$218,708.00
Projected Parish Subsidy	\$218,299.00

As you can see the FTF programs are substantially subsidized by the parish. The subsidy comes from the Sunday collection and grants from the Gala and the Holy Family Foundation. This is why in addition to tuition payments we encourage families to remember to make regular contributions to the weekend collections, as well as the annual fund-raisers. Not only do these revenue sources subsidize FTF they also finance all the other aspects of the life of our parish community - worship, priests and staff, music, outreach, adult faith, pastoral care, maintenance of building and ground, etc.

Are the tuition and sacramental fees higher at Holy Family than other parishes?

Range of tuition rates at 10 surrounding parishes in 2017-18

1 child:	\$180.00 to \$300.00
2 children:	\$210.00 to \$425.00
3 or more children:	\$240.00 to \$725.00

Holy Family 2017-18 Tuition Rates

1 child:	\$300.00
2 children:	\$375.00
3 or more children:	\$425.00

At all these parishes Sacramental fees are in addition to tuition. Parents are expected to be registered in the parish, attend Mass on Sundays, contribute weekly in the Sunday collection and volunteer in the program. Most of these programs serve grades 1-8.

The philosophy of Family & Teen Faith

What is catechesis?

The word catechesis comes from an ancient Greek word describing a kind of oral teaching. Literally the word means "to echo". The purpose of catechesis is to make a person's "faith become living, conscious, and active, through the light of instruction" (National Catechetical Directory, #32). This is achieved in four ways.

1. Proclaiming the message of salvation;
2. Building authentic communities of faith;
3. Leading people to true worship;
4. Promoting service to others.

It is important to remember that catechetical experiences are not confined to classrooms and textbooks. Catechetical experiences are moments that arise across the life-long process of evangelization (coming to know God) and conversion (the change of heart that results from knowing God). Catechesis seeks to foster mature faith in individuals and communities.

Parent's role in the catechetical process

Parents are the first teachers of their children in the ways of faith. In the Baptismal rite we hear these words, "Parents and godparents, this light is entrusted to you to be kept burning brightly." Note that there is no time limit on this instruction. Parents, **you** remain the first and best teachers of your children through their whole lives. You do this by what you say and do **and** what you do not say or do not do. Your words and deeds leave an indelible impression on your children. They influence the way your children will raise their children.

Pope Francis uses a wonderful image for this fundamental and essential education parents provide their children. He speaks about the **grammar of affections**,

"The wisdom of affections, which cannot be bought or sold, is the greatest quality of the family's genius.

"The wisdom of affections, which cannot be bought or sold, is the greatest quality of the family's genius. Precisely in the family, we learn to grow in that atmosphere of wisdom of affections. Their 'grammar' is learned there; otherwise, it is very difficult to learn. Now, this is the language through which God makes himself understood by all. Therefore, the circulation of a family style in human relations is a blessing for the peoples and brings hope to the earth. When family affections let themselves be converted by the testimony of the Gospel, they become capable of unimaginable things" (General Audience September 2, 2015).

Our Pope sees the family as one of the most transformative elements in society. **He demonstrated his commitment to families by calling the [2014-2015 Synods of Bishops on the Family](#) as one of his first initiatives as Pope.**

You have heard and will continue to hear the leadership at Holy Family talk about the centrality of the [Domestic Church](#). We are referring to the internal dynamics of your family life. St. John Paul II spoke about the teaching role of the domestic church saying, "Family catechesis therefore precedes, accompanies and enriches all other forms of catechesis" (*Catechesis in Our Time*, 1979, § 68).

The Holy Family Catholic community promises the parents of all baptized children that we will support them in this fundamental moral responsibility. We promise to pray for and with them, welcome them, and be examples of faithful disciples for them and their children.

The FTF Staff become your partners in the process of handing on our faith to your children. *With your cooperation, we create an environment in which children can grow in their faith.* We build on the foundation you lay. Never forget however, that you are the first and most effective teachers. It is from you, and the domestic church you create, that the faith of your children is nurtured and sustained.

As religious educators in partnership with you we ask that you

- pray for and with your child every day
- share your faith with your child at least once a week,
- provide your child with experiences of the Catholic tradition, and if you come from or practice a different faith tradition share experiences from that tradition as well,
- explore the Scriptures with your child on a regular basis
- encourage curiosity answer your child's questions about faith honestly, if you can't answer the question admit that and spend time with your child finding the answer,
- instill in your child the gospel values of compassion, forgiveness, mercy, justice and peace,
- model the importance of Christian service,
- take an active role in preparing your children to receive the sacraments.

Curriculum Overview

Content

The goal of all catechesis is to develop Christian disciples. This is done by engaging students of all ages and ability in an intentional exploration of

- The individual's personal relationship with Christ
 - Knowledge of Sacred Scripture and Catholic tradition
 - The liturgical life of the Church – worship and sacraments
 - Knowledge of the moral teachings of the Church and methods for discernment and skillful decision-making
- Development of a healthy spirituality made tangible by helpful spiritual practices
 - Experiences of Christian community in order to nurture love of God, self and neighbor, the spirit of simplicity and mutual forgiveness.
 - Develop a missionary spirit in all children and families so that they will be the presence of Christ in society.

Methodology

Shared Christian Praxis, a simple and effective process for developing Christian disciples, summarizes the approach used at Holy Family. The life's work of *Thomas Groome*, noted Religious Educator, Shared Christian Praxis, is a process for faith formation used extensively throughout the English speaking world. It is important to understand that *Shared Praxis is not a program; it is a process or overarching approach to faith formation*. Groome describes his approach as *'bringing life to Faith, and bringing Faith to life.'* Our Director, Dr. Peg Hanrahan describes it using biblical language – *come and see; go and tell*.

Shared Christian Praxis

*... 'bringing life to Faith, and
bringing Faith to life.'*

Thomas Groome

This approach is best done in small groups where

1. Participants focus on their personal experience of a given topic. Often an activity is used to help the members of the group focus (such as a video clip on being a good friend, a skit, an ice breaker, etc. - - bringing life to faith).
2. Participants are invited to reflect on why they do what they do, and what the likely or intended consequences of their actions could be. This is done in order to help participants identify their unique understanding or lack of understanding of the topic. They are asked to consider assumptions they make, or biases they may have (critical reflection).

3. The catechist presents the Christian community story concerning the topic at hand to the group and the faith response it invites. This may be done using biblical stories/passages, examples of Catholic religious practices, concepts from Catholic teaching, etc.
4. Participants are invited to look at the Christian Story, internalize it, "own" it, and compare it with their own stories. A dialogue ensues between 'my story and vision' and the 'Christian Story and Vision' (bringing faith to life).
5. Each participant is given an opportunity to choose a personal faith response for the future. "Now, what are you going to do?"

Curriculum Structure - Three key elements

1. **Spiral curriculum** - In this approach material is revisited repeatedly over months and across grades. Each time it is introduced students have the opportunity to understand the content as a deeper level and make connections between concepts and experience they were not able to make earlier.
2. **Developmentally appropriate** learning is based on how human beings learn over time. It focuses on the individual developmental and the learning needs of each student. Teaching strategies are intentionally chosen to maximize student cognitive abilities and skill levels.
3. **Experiential** - learning through reflection on doing.

Tools for learning – As learners change, content expands or is modified, educational theory improves, and social expectations of learning change students invariably *learn* → *unlearn* → *re-learn*. Therefore, there are no perfect learning tools. All tools or strategies for learning have strengths and weaknesses. The following are tools we use to engage learners in the catechetical process.

- Experiences of Christian community provide the overall framework for all catechesis at Holy Family. Community building and team building activities are deliberately built into every class encounter.
- Textbooks and handouts
- Media
- Art and music
- Group Activities
- Experiences of Prayer
- Community Service
- Faith Sharing

Program Overviews

Adam's Apple has been extensively re-designed over the past two years to include elements of

- lectionary based catechesis (emphasis on scripture)
- liturgical catechesis (emphasis on symbols and rituals)
- Catechesis of the Good Shepherd (emphasis on imaginative play scenarios with provided materials)
- Mindfulness (emphasis on focusing, attentiveness, and self-soothing)

To accomplish this we use

Flannel Board story telling kits

Pflaum Gospel Weeklies and rotating between **Seeds and Promise**. This is a program prepared by a team of respected preschool specialists. See the publisher's website for more detail <http://www.pflaumweeklies.com>.

Grade 1- 6

Finding God 2013 (parish edition) published by Loyola Press. This new program for Family Faith is based on **Ignatian Spirituality.**

Ignatian spirituality is spirituality for everyday life. It insists that God is present in our world and active in our lives. It is a pathway to deeper prayer, good decisions guided by keen discernment, and an active life of service to others. (for more see <http://www.ignatianspirituality.com/what-is-ignatian-spirituality>)

Each grade level focuses on the same five major themes each year. This means that if you have more than one child in grades 1-6, you can a family conversation about faith and have all the children on the same basic page.

"As children are introduced to and revisit concepts and vocabulary from one year to the next, their knowledge and experience both broaden and deepen."

Finding God provides lessons in the faith and delivers those lessons through experiential activities that encourage lifelong practice. For more detail see the publisher's website www.loyolapress.com/faith-formation/finding-god/finding-god-2013/program-overview

It is our hope they will also use this Bible during the years in FLAME. Students who lose or misplace their Bible will be expected to purchase another one at their own expense (**\$27.95**).

FLAME 1 & 2 focus on preparation for the sacrament of Confirmation. Catechists use lesson plans written by the Teen Faith staff, led by Dr. Hanrahan, which incorporate multiple resources.

Lesson plans are available to parents online at <http://holyfamilyparish.org/ignite-catechesis-jr-high>

- The FLAME scope and sequence is available at <https://holyfamilyparish.org/flame-catechesis-high-school>
- All the FLAME lessons plans are reviewed and updated each year
- New lesson plans are created for FLAME each year based on student and catechist feedback.

Teens in FLAME are to bring their **Catholic Youth Bible** and their folder containing their **Teen Handouts with them to every class**. This allows catechists to

1. engage students in short reflective and or written exercises during each class

If your children attend the Wednesday afternoon program we recommend either the 9 or 11 am Mass. We strongly encourage all our students in grades 1-5 to attend the Children's Liturgy of the Word, held during the 9 and 11 am masses. If you register your children/teens in the Sunday evening program we ask that you attend the 4 pm Mass on Sunday.
- **Christian service and Outreach** is part of our religious education programs. Some of these experiences are built into the class sessions themselves, some are offered for students and families outside of actual class times.
- **Retreats** of varying lengths are offered to all Jr. High and High School students both before and after reception of Confirmation.

Catechesis & Worship: The essential connection

"Draw near to God, and He will draw near to you..." (James 4:8)

Blessings of Keeping the Sabbath

- A concrete way to demonstrate that your family puts God first
- A way to connect with and be present to your Holy Family community and invest in your family's sense of belonging
- A weekly opportunity to put things into perspective
- An oasis in the overwhelming busyness of life – a time to step back and have a moment to breathe
- A way for your family to cultivate a spirit of gratitude and reflect on how to give back

Before there was doctrine, before there was a canon of Sacred Scripture, there was liturgy.

The Church has long understood that how we worship reflects what we believe and determines how we live (*"lex orandi, lex credendi, lex vivendi"*). Good liturgy and good catechesis are bound together like the warp and weft of weaving. They are partners. Both are important aspects of the Christian life and promote a deeper faith journey. Both liturgy and catechesis seek to form persons in faith. Both need each other. What we learn through

catechesis we practice in worship. What we experience in worship we reflect on in catechesis. The Catechism of the Catholic Church says it this way:

The liturgy is the summit toward which the activity of the Church is directed; at the same time it is the fount from which all the Church's power flows. It is therefore the privileged place for catechizing the People of God. (par. 1074)

Without the interplay of worship and catechesis, religious faith unravels leaving the believer with large gaps in meaning and inhibits his/her ability to make sense of the ultimate questions of human life. Good liturgy and good catechesis are bound together like the warp and weft of weaving: they are partners. Both are important aspects of the Christian life and promote a deeper faith journey. Both, liturgy and catechesis, seek to form persons in faith. Both need each other. Human learning is contextual; **what we learn through catechesis, we practice in worship.**

Entering into the liturgy teaches us to be disciples. Benedict XVI referred to the liturgy as “a school of love” that perfects our social relations and our family life and by this society as whole. Think about how we begin Mass at Holy Family. We welcome all to the assembly in a very concrete and deliberate way. We welcome those new to the community, those visiting the community and those who are long standing members of the community. In other words *we ritualize inclusivity*. Now think about how we end the celebration of liturgy. The entire community prays, “*The Mass never ends. We go forth to love and serve the Lord and each other. Thanks be to God.*” We make explicit the commissioning of each member of the assembly sent into the world to bear witness to the Good News.

Liturgical Catechesis is the name for the formation in faith that takes place throughout the entire liturgy. It creates an *‘intelligence of the heart’*, a knowing of things in the fullest way, through the use of symbol and ritual, a language beyond words. Without worship catechesis becomes irrelevant, just a cognitive exercise. Worship helps us integrate what we know with how we act. Worship enlivens our knowing, increases our understanding of what we learn. Catechetical experiences energize our experience of worship. ***Come and see so that you and your children may go and tell the Good news to those you love.***

Regular attendance and participation in the weekend Masses as a liturgical minister are THE single most effective ways to learn about the Mass. Understanding the Mass makes worship more meaningful.

Worshipping at Holy Family

The 9am Mass on Sunday precedes our Sunday morning sessions. ***This is by design.*** Kindergarten through grade five children are invited to attend Children’s Liturgy of the Word (CLW) during that Mass, which will help them:

- ✚ learn how understand and use the symbols and rituals that are part of the Liturgy of the Word,
- ✚ better integrate scripture into their daily lives and
- ✚ prepare them to understand more fully the scripture, which is part of every catechetical session.

CLW is also celebrated at the 11am Mass. All IGNITE or FLAME students who are interested in helping to lead CLW are welcome to do so. This is one way to earn service hours.

Any parent interested in facilitating CLW can join one of the three teams. For more information contact, Liz Hohmeier, lizhohmeier@gmail.com who coordinates this ministry.

This year we have worked with the parents involved in Kid Church, designing our Adam’s Apple classes to integrate both experiences. Parents with very young children please consider exploring this option.

- **All Faith classes host at least one of the regularly scheduled weekend Masses each year.** The catechists will choose the date for his/her class Mass and notify parents. Students will serve as greeters, Cross bearers, ushers and gift bearers. We also have a children’s choir that sings once a month at the 9 am Mass. If your child is interested in being part of the Children’s Choir contact the Director, Lisa McKian, Lisamckian@gmail.com This is just one of Holy Family’s unique traditions fostering *‘vibrant worship,’* which is part of our parish mission. The feedback from the younger students regarding hosting Mass is very positive, as is the feedback we get from the kids in the choir. The best antidote to *the ‘boredom’ factor* is participation. Engaging young people in these ways demonstrate our belief

that they are not only the future of the Church but also a vital part of its present. Parents are asked to accompany their children/teens at this Mass.

- **The 4pm Teen Mass precedes our Sunday evening sessions.** Again, this is by design. We have intentionally focused on how junior high and high school students might be more deliberately engaged through conscious participation in all aspects of this liturgical celebration. All of our IGNITE AND FLAME students are invited to serve as:

- | | |
|---|--|
|  Greeters |  Ushers |
|  Cross bearers |  Gift bearers |
|  Table & Light ministers |  Eucharistic Ministers |
|  Proclaimers |  Members of the Teen Band and choir |

In the past we have had high school juniors and seniors offer Gospel Reflections at the 4pm Mass. Last year we expanded this ministry to include any interested FLAME students. Students wishing to be Proclaimers will be required to participate in a short training just prior to the 4 pm Mass. They will be given their reading ahead of time to practice. One of the teen faith staff works with the Gospel Reflectors so they feel comfortable and confident getting up in front of the congregation. To become a Eucharistic Minister, one must be confirmed. Once trained, student Proclaimers and Eucharistic Ministers and any of our young musicians/singers are welcomed and encouraged to serve at any of the parish Masses.

Any adults who would like to work with any of our students in the context of worship are welcome to do so.

We encourage families to consider serving together as liturgical ministers at the Sunday Mass they attend. If you are willing to carry the Cross in the opening procession as a family, bring up the gifts, or help take up the collection all you need do is come 5-10 minutes earlier and let the Mass Coordinator or Liturgical Life Office staff member at the Mass know. It would be wonderful to see parent-child teams Proclaim the Word or read the prayers of the faithful at Mass as well. Parents remember **what we say and do, the way we shape and form the next generation is our calling.**

Catechesis & Outreach: A natural progression

"Faith of itself, if it does not have works, is dead" (James 2:17).

If we are to be known as Christ's disciples we must become servants to all. The plight of the poor must stir us to action on their behalf. Across the catechetical process our students and their families are encouraged to put their faith into action. We do this by:

1. offering service opportunities as part of our catechetical classes at every grade level
2. educating our students and their families about Social Catholic Teaching,
3. encouraging our students and their families to participate in the various parish outreach efforts
4. providing unique service opportunities outside of our FTF classes (Teen Mission Trip, Make a Difference Day, Feed My Starving Children, The Boulevards, Ecological Stewardship days, St. Leonard's etc).

Sacramental Preparation Programs

Sacraments are encounters with the living God. Our sacramental preparation programs are intentionally embedded in worship. Experience is the only way to convey the meaning of a sacrament. Preparing children to receive the sacraments of First Eucharist and Reconciliation at Holy Family is done collaboratively between Family Faith and Holy Family Catholic Academy (HFCA). The sacramental preparation sessions are conducted outside of and in addition to class time.

SACRAMENTAL POLICIES

1. Children/teens preparing to receive a sacrament are asked to have at least two years of formal religious education prior to the reception of the sacrament. This policy is part of best practice recommendations from both the Archdiocese of Chicago and The United States Conference of Catholic Bishops, and is standard practice in all our neighboring parishes.
2. All those wishing to prepare to receive the Eucharist, Reconciliation and Confirmation must be registered parishioners in a Catholic parish. To register at Holy Family contact sgeegan@holyfamilyparish.org. If the candidate is a parishioner in another parish they must submit a letter from that parish verifying they are members in good standing.
3. All those wishing to prepare to receive the Eucharist, Reconciliation and Confirmation must be a baptized Catholic. We ask that candidates provide a copy of their Baptismal Certificate. Those who were baptized in another Christian Faith must provide a letter or certificate from the Church of Baptism to verify their Baptism and are asked to enter the RCIC process in order to be prepared to make a Profession of Faith. See <https://holyfamilyparish.org/r-c-i-c>
4. Students with significant gaps in their religious education will be assessed on their understanding of Catholic teaching and practices. Parents will be asked to work with their students to achieve grade level mastery.
5. Once a candidate completes all the steps in the preparation process they will be invited to celebrate the sacrament.

First Eucharist

The following steps are part of our preparation process for First Eucharist.

When you have completed all the steps in the preparation process your date for First Eucharist will be confirmed.

1. Regular attendance at weekend liturgy as a family

We cannot stress enough the importance of worshipping together as a family. Participating in the Sunday Eucharist is the best way you can reinforce everything we teach in Family Faith and in our Academy programs. We know it is difficult. We know you wonder if it is worth it. It is worth it; it is really important. When families worship together kids learn that *'worship is*

what we do as a community of faith, that everyone is welcome, that their worship matters. When we teach children that their worship matters, we teach them that they are enough right here and right now as members of the church community.' (See more in [Dear Parents With Young Children in Church | HuffPost](#)).

2. Children wishing to receive 1st Reconciliation and 1st Communion must be baptized Catholics.
 - Please submit a copy of your child's Baptismal certificate by [September 9, 2018 to the Family Faith Office](#).
 - If your child was baptized at Holy Family, all we will need is the date the Baptism took place
 - If your child was baptized in another parish, please contact their parish office and obtain a copy
3. **If your child was baptized in a non- Catholic Christian Church** (i.e. Lutheran, Episcopalian, etc.) you must:
 - Obtain verification of the Baptism from the Church in the form of a certificate or letter and submit it by [September 9, 2018 to the Family Faith Office](#).

- Enroll in the Rite of Christian Initiation for Children program to have your child prepared to make a **Profession of Faith** in the Catholic Church. The RCIC process is designed as a family process. All family members are invited to attend these sessions, but at least one parent is expected to attend the RCIC sessions with their child. For more information please see <https://holyfamilyparish.org/r-c-i-c>. The children will make their Profession of Faith on Sunday, March 31, 2019 at the 11am Mass.
4. Those wishing to receive 1st Communion must be a registered parishioner in a Catholic parish (Archdiocesan Policy). Please have this step completed by September 15, 2018.
 - Registering at Holy Family is a simple two-step process. For more information contact Sue Geegan, sgeegan@holyfamilyparish.org. Simply attending Mass, being registered at Holy Family Catholic Academy, or having filled out a visitor card does not make you a parishioner. There is a formal process you must complete.
 - If you are not registered at Holy Family, we will need a letter from your home parish.
 5. Two years of formal religious education are required prior to receiving the sacrament (Archdiocesan Policy)
 - If you were enrolled previously in another Catholic School or parish Religious Education program, please provide a letter from that school/program verifying your child's participation/attendance.
 6. **Parent Meeting** either on Wednesday, Sep. 26, 2018 from 7-8:30pm **OR** Sunday, Sep. 30, 2018 from 10:30am – noon. The parent meeting is for parents only.
 7. Participation by parent and child in the **Rite of Welcoming** on either Saturday, Nov. 3, 2018 **OR** Saturday, Nov. 10, 2018 at the 5pm Masses– you should plan on arriving and checking in with us in the Narthex no later than 4:45pm. The ritual occurs throughout the Mass, so it is imperative that you be on time. A short session will follow the Mass for both the children and their parents.
 8. Participation by the children in a **Special Presentation on the Mass**. This will take place during Faith classes on Sunday, Nov. 25, 2018 / Wednesday, Nov. 28, 2018 and at one of the Wednesday school Masses for HFCA students (date TBA). Parents are welcome and encouraged to attend.
 9. Participation by the children in a **Session about Reconciliation and Examination of Conscience**, to prepare them for receiving the Sacrament of Reconciliation on February 6. Session will take place during Faith/HFCA classes on Sunday, Jan 20, 2019 / Wednesday, Jan 23, 2019. Parents are welcome and encouraged to attend.
 10. The **Celebration of First Reconciliation** on Wednesday, Feb. 6, 2019 from 6:30-7:30pm in the Church.
 11. Participation by parents/children in the **Presentation of the Our Father**, Sunday, Mar. 3, 2019 at the 9am Mass.
 12. Participation in the **Faith-In** (for children only) on Saturday, Apr. 6, 2019 from 2:30-5pm.

First Eucharist will be celebrated on

- Saturday, May 5, 2018 at 10:30 am and at the 5:00 pm
- Sunday, May 6, 2018 at both the 9:00 and 11:00 am Masses
- Saturday, May 12, 2018 at 10:30 am.

NOTE: All the preparation steps must be completed before you schedule a date for your child's First Communion.

If you cannot complete all the steps of the process you can do so the following year and your child will receive First Eucharist in third grade.

Reconciliation

Children are introduced to Form 3 of the Sacrament of Reconciliation during their preparation for First Eucharist and experience God's healing grace and forgiveness for the first time. In fourth grade, children receive additional catechesis designed to further their understanding of the Sacrament and to prepare them to celebrate Forms 1 and 2 of sacrament.

This will be done in the classroom. The fourth graders will celebrate Reconciliation Form 1 (individual confession with a priest) for the first time on **March 14, 3:30-6pm or March 17, 10 am -12 pm**. Parents are asked to accompany their children for the celebration of the sacrament.

Confirmation

The preparation track is integrated into our FLAME program and requires a two-year commitment (the sacrament is typically, but not exclusively received in the spring sophomore year of high school). In addition to our Sunday evening classes teens preparing for Confirmation are asked to

Rite of Christian Initiation for Children or Teens (RCIC)

The RCIC at Holy Family is open to all parishioners who want to prepare their school age child/ren (6-14) for the sacraments of initiation.

- Those who have not been baptized,
- Those were baptized in another Christian Church (Lutheran, Baptist, Evangelical...) and now want to receive First Eucharist
- Those who are baptized but have not received any formal religious education or the sacraments of Reconciliation or Eucharist.

The sacraments of initiation are celebrated during the Easter Season. Whether your family is just entering the church, is returning after time away, have decided as a family to delay the children's sacramental preparation, or any other circumstance you are welcome here at Holy Family and it is our privilege to serve you.

For more information on this process go to <http://holyfamilyparish.org/r-c-i-c/>

To register your child contact Dr. Peg Hanrahan, 847-907-3431 phanrahan@holyfamilyparish.org or complete the RCIC Child/Teen Inquirer Form on line and submit.

Respect

Behavior and Discipline – It's all about respect!

It is our desire to create and sustain a Catholic parish, which is welcoming, safe, and promotes life-long learning in our faith. As catechists and staff, it is our goal to reflect our Christian values in all that we do and to support and guide the children to do the same. Effective small group management begins with a clear and concise communication of

expectations and procedures.

Disciplining with dignity - At all times we will guide a child/teen's behavior with words and actions that convey respect and care for the child/teen

Student Behavior Students will be held accountable and responsible at all times for their actions and suitable measures will be taken to ensure this. In support of the catechetical staff

(FTF Staff members, catechists, aides, hall monitors, peer ministers) we expect the full cooperation of the parent community in reinforcing Faith Class and Parish guidelines. Failure by parents/guardians to cooperate as determined by the Director of the FTF program may result in the exclusion of the child from FTF classes and other activities.

Student Contribution to Code of Conduct

FTF students in grades 1-12 will be actively involved in helping to create classrooms guidelines. During the first two weeks of class each catechist will work with their students to create a Class Covenant. Students will reflect on what behaviors will enhance their engagement in the learning process and what behaviors will hinder their engagement in the learning process. After discussing these behaviors they will write simple concrete behavioral goals (i.e. do not interrupt when someone is speaking, raise your hand to contribute to discussion, do not take/use anything that is not yours...). The term "covenant" is of Latin origin (con venire), meaning a coming together. It presupposes two or more parties who

come together to make a contract, agreeing on promises, stipulations, privileges, and responsibilities. Covenant is a biblical term that we want to emphasize.

Consequences

A consequence is a result or effect of an action or condition. After creating their class covenant students and catechists, will discuss the consequences of inappropriate behavior with the children, in general terms. At all times the catechists will attempt to administer discipline with dignity for the child. The following is an outline for parents of what they can expect if it is necessary for the catechist to take action in order to control behavior that is disturbing the class.

1. In the first few weeks of class the class covenant will be reviewed. Each student will have a copy of the class covenant. Frequent reminders will be given defining for students what comprises appropriate behavior.
2. Students will be rewarded for behaving appropriately.
3. Three warnings will be given to any student who engages in inappropriate behavior. After the third warning the student will be sent to discuss their behavior with one of the Associate Directors of FTF.
4. Parents will be called by the catechist if a student does not respond to the warnings.
5. If a second call is required, the name will be given to the Associate Director for follow up.
6. After two calls, and an intervention by the Associate Directors, parents will be required to accompany their child to class.
7. If further action is necessary, parents and child will meet with the Director of the FTF program and/or the Pastor to try and discover why the child cannot respect the Code of Behavior.
8. Suspension from the Program is the last resort.

Most behavior problems can be solved between the catechist and the parents if there is a spirit of cooperation there that the child can sense. The goal is the same - to create an atmosphere in which learning can take place.

Student Behavioral Norms

FTF is part of the Church's ministry. The mission and vision statements of both the Holy Family Catholic Community and the FTF Program guide all our actions. Establishing and maintaining *passionate community* is dependent upon mutual trust and respect among the catechetical staff and students. Community is an ideal toward which a group of people is continually working. Members of a community manifest concern for one another.

In our work with children and teens, we want to focus on the development of responsible behavior. The essence of Catholic Christian life is the formation of a personal value system, which acts as the motivating force of good self-discipline. Guiding students to construct these values is the major role of the parents and educators in our society. Children must learn, therefore, to accept the results of their behavior. When our actions cause disturbance or injury to others, or the reputation of our parish, there are consequences.

Expectations for Student Conduct

If different, the following expectations will be in addition to the behaviors students and catechists outline in their class covenant. The Director of the FTF Program will review these expectations with students at the beginning of the year.

1. Students are not to engage in any behavior that would/will endanger the health or safety of themselves or any other person or persons.
2. Unless permission has been given, no student is allowed to leave the Holy Family campus or grounds at any time during Faith classes without first attaining permission from one of the FTF staff members.
3. Students are expected to stay in the designated areas of the Holy Family campus when participating in Faith classes and activities.
4. If iPods, cell phones, iPhones, electronic games, laser equipment, etc., are brought into the building, they are to be turned off and are to be kept out of sight. The parish accepts no responsibility for any of these items brought into the building. If used during Faith classes, these items will be confiscated. Arrangements may be made for their return to a parent.
5. Inappropriate language or gestures will not be tolerated during the Faith classes or any FTF activity.
6. Fighting – Altercations which result in physical contact – is strictly forbidden.

7. Forgery - Students who forge a parent/guardian signature on any form/paper calling into question their own credibility and trustworthiness.
8. Stealing - Each student has a responsibility to properly safeguard his/her own personal property. The student also has a greater responsibility to safeguard the possessions of other persons. Stealing is a direct infringement upon the rights of others.
9. Cigarettes - Possession or use of cigarettes or smoking material by any student on the parish grounds or at a Family or Teen Faith activity is not permitted.
10. Drugs/alcohol/inhalants - Possession of or use of drugs, alcohol or inhalants in faith classes or at any family or teen faith related function, is absolutely forbidden.
11. Graffiti or destruction of property - Any student responsible for any unauthorized marking or drawing on parish property will be required to make restitution for the restoration of the damaged property.

We share space with the Holy Family Catholic Academy and other ministries and groups in the parish therefore no Family or Teen Faith student should ever go into desks, lockers, closets, drawers, cabinets, etc. belonging to other individuals or groups. Faith students who are found to have done so will be fined \$10.00 for the first incident; \$25.00 for any incident thereafter.

12. Weapons - Students are forbidden to possess, handle or transport any instrument, on or around the parish premises that is generally considered a weapon. Examples include, but are not limited to, the following items: knives, guns, stun guns, pipes, chains, stars, blackjacks, explosives, fireworks or other hazardous chemicals. This is a very serious issue and can be deadly.
13. Threats of Violence - In response to the growing number of violent incidents in schools and churches across our country, as well as a desire to reemphasize Gospel values, violent threats of action will not be tolerated. Students are never to use language that refers to any act of violence. No mention is to be made that would indicate any attempt at a violent act. Threats of violence should be reported to the principal, teacher, and parents.
14. Harassment – written, verbal, or physical, including cyberbullying is strictly prohibited.
15. Sexual Harassment is illegal under both state and federal law and is objectionable under any circumstance. Sexual harassment can be verbal, visual, or physical. Sexual harassment can take many forms: insulting sounds, noises, or words; offensive pictures, notes or objects; derogatory sexually-based humor or obscene gestures; unwelcome touching, pinching, deliberate bumping into another; suggestive remarks about a person's body, appearance, gender, or sexual orientation. Sexual harassment by an employee of a student, by a student of an employee, or by one student of another is unacceptable conduct. Employees or students who engage in any type of sexual harassment will be subject to appropriate discipline, including dismissal.
 - a. Retaliation in any form against an employee or student who exercises his or her right to make a complaint under this policy is strictly prohibited and will itself be cause for appropriate disciplinary action.
 - b. Any employee or student who knowingly makes false charges against an employee or a student in an attempt to demean, harass, abuse, or embarrass that individual shall be subject to the sanctions for misconduct set forth by the Archdiocese of Chicago and Holy Family Parish.

Responding To Harassment - If a student is harassed in any form, the student should tell an adult - a parent, a parish staff member, a catechist. Together they need to determine if the actions have gone beyond playful teasing (which is when both parties know that it is teasing and both parties agree that it is funny) and are now an act of harassment. Together we need to help the offending person know the consequences of his/her actions: for himself/herself and the person who has been harassed. The teacher handles ordinary classroom behavior. If a student is consistently out of order, the Director of the FTF Program is asked to assist. Parents will be informed in the event of serious or prolonged misbehavior. In most cases it is understood that the catechist will have privately discussed the student's behavior with him/her several times before parents are notified.

Options for Disciplinary Action in regards to serious infractions

The following potential actions are listed from minimum to maximum. This does not mean that the first time a student "gets into some trouble" that step one would be taken, the second time that step two would be taken, etc. This is only a list in the order of severity of possible consequences. Severe disciplinary cases will be handled individually on a case-by-case basis and the Director of the FTF Program in consultation with the Pastor has the authority to determine the consequence based on the situation.

- Catechist/FTF Staff member/Student have a conference
- Catechist/FTF Staff member/Parent/Student have a conference
- Student is fined (specified)
- Community Service is required (one hour)
- Restitution is required
- Removal from activities other than class (retreats, mission trip, service trips...)
- Suspension or Expulsion from the FTF Program
- Police notification may become necessary in extreme cases. Police notification will be mandatory for severe infractions involving weapons, destruction of property, and/or drugs and violent threats of action. Should the need for search and seizure occur, Holy Family would follow Archdiocesan guidelines in this area.

These rules serve as guidelines. The Director of the FTF Program in consultation with Associate Directors and/or the Pastor has the authority to modify the consequences of a given situation, based on individual circumstances.

FTF Program Policies

Class Placement Policy

NOTE: THIS POLICY APPLIES TO ALL STUDENTS PRE-K THROUGH HIGH SCHOOL

Each year we have requests from catechists, parents, and children/teens regarding class placement for our FTF programs. Please note the following guidelines that we use when placing students in classes:

- We will keep existing classes together IF all the students are registered by June 30 and request to be in the same class. This includes the catechist's own children/teens.
- The Catechist must also complete the Volunteer Application for Ministry form and indicate that he/she would like to keep the same class together by June 30.
- After June 30th, we will begin placing registered students in any classes that have open spots. We are unable to hold spots for students that have not registered.
- If you request to be in a class that is already full, we will be unable to place your child or teen in that class. We do our best to keep the class size to a maximum of 12 students for all levels (which we have found to be most conducive to class management and group dynamics), *ESPECIALLY* Teen Faith Ignite and FLAME programs, due to the structure of the lessons, service trips and retreats. Please don't ask the catechist to allow your child into the class. Please address your requests to the FTF Office directly, as individual catechists may not be aware of all the variables we are working with at any one time. We place over 700 children and teens, as well as coordinating catechists and volunteers, which, unfortunately, means that we may not always be able to accommodate all requests.

We appreciate your cooperation and will do our best to accommodate families' needs and circumstances. Our goal is to have a smooth (and early) registration process and another successful year, as we all continue to grow in our faith.

Please don't hesitate to contact us with any questions or concerns you may have, now or throughout the year.

Student Attendance Policy

Student attendance records are considered legal documents and can be subpoenaed. Therefore, the catechist is responsible for each of the students listed on his/her class roster during each small group session. It is essential that the catechist take accurate attendance at the beginning (within the first ten minutes) of each small group session.

ALL parents should advise catechist of absences prior to the scheduled sessions. Parents please make sure you communicate with your child/teen's catechist and exchange email and cell phone information. The best way to reach a catechist in the case of short notice is to text them. Students not present will have an email sent to the parent/guardian to verify their absence, if the catechist has not been notified prior to the start of each class.

Students in grades 1-10 are expected to attend 18 out of our 21 classes. Parents of students missing more than 2 classes will be expected to download the lesson plan at home and submit the completed work on line. Submitted work must meet the standards provided in the online rubric.

Ongoing communication with the parents and the FTF Office will ensue if attendance becomes an issue.

We understand that some families have obstacles in their lives such as scheduling around custody or dealing with a family illness. If you have a situation in your family's life, please let us know so we can respond to your teen's special situation. We are more than happy to work one on one with your family.

Students are expected to be on time for class and remain in the for the entire length of the session

1. **Late Arrival** – Parents must inform catechists prior to the class session if their child/teen will be coming late for class. Parents must walk their Pre-K thru Grade 4 children to the classroom and sign them in.
Students in grades 5-10 arriving late must first stop in the Narthex and pick up a Late Arrival Slip from the Hall Monitor. **Students will not be admitted to classrooms without a late arrival slip.**
2. **Early Dismissal** - – Parents must inform catechists prior to the class session if their child/teen will be leaving early from class. Parents must pick-up and sign-out their Pre-K thru Grade 4 children. Catechists will not dismiss a student early from class unless a parent is there to pick him/her up.
Students in grades 5-10 who are leaving early must get an Early Dismissal Slip from their catechist and turn it into the Hall Monitor in the Narthex before exiting the building. **Catechists will not dismiss students early unless they have been contacted by a parent prior to the class.**

NEW

Safety Policies

Dropping off and Picking up students

1. Students in grades PK-4 must be signed in by their parent (or other adult dropping off the child). Older siblings are not allowed to sign-in younger siblings. Parents who wish older siblings to pick up a younger sibling at the end of class must download and sign the FTF Dismissal Consent and Liability waiver. This form is available on line at <https://holyfamilyparish.org/family-and-teen-faith-registration>
2. Students in grades 5-12 do not need to be signed in or out.

Protecting All God's Children

Virtus Compliance

All adults (18 and over) must be Virtus Compliant to work with children. Compliance consists of

1. All volunteers fill out an application form and are interviewed
2. Read and give evidence of understanding our Safe Conduct Code
3. Online criminal background check (national data base)
4. Illinois Criminal Background Check (CANTS form signed yearly)

5. Attend the Virtus Training Program

Supervision and Monitoring of Facilities

1. Adult supervision is provided at all times children are in the building.
2. Children are not allowed into classrooms until an adult is present.
3. The Inverness Police will be present in the Narthex from 4:45-5:15 pm and again at dismissal 6:55-7:10 pm
4. Members of the FTF staff are available to intervene if necessary. Designated FFT staff members and the hall monitors carry walkie-talkies.
5. Attendance is taken at every class so we know how many children are under our supervision.
6. Adults who are not on the catechetical staff (parents, guest speakers...) are asked to stop at the Front Office or see the Hall Monitor in the Narthex and get a name badge
7. During class times areas of the building not being used are locked if possible and monitored by adult hall monitors.
8. Hall monitors are present to assist the children and catechists and monitor the presence of adults not in teaching roles.
9. Students who request to use the restrooms are issued a hall pass by their catechist that they will show to the hall monitor.
10. HFCA students will not have access to their lockers or classrooms when Faith classes are in session.

Safe Environment Training

In response to the sexual abuse crisis in the Roman Catholic Church, the United States Catholic Conference of Bishops directed Catholic dioceses around the country to implement several steps which would “unify and enhance the existing efforts to protect children and young people from sexual abuse.” A directive from the Archdiocese of Chicago requires parish Religious Education Programs to offer one of three options to all the children enrolled. These programs educate students of all ages on safety prevention in the areas of sexual exploitation, abduction, Internet crime, drugs and school violence. These programs will be offered to Holy FTF students annually on dates to be determined. If parents choose NOT to have their children attend and participate in this program, the Archdiocese requires that our office keep on file an acknowledgement that the parent has chosen to opt out or decline their child’s participation. It is this “Parental Declination” which requires your signature.

Technology

Electronic Equipment

If iPods, cell phones, iPhones, electronic games, laser equipment, etc., are brought into the building, they are to be turned off and are to be kept out of sight during class unless the catechist requests that students use these devices to participate in classroom activities. The FTF Program accepts no responsibility for any of these items brought into the building.

If used during class times (large or small group), students will be asked to give them to their catechist for the duration of class. If students bring an iPhone, iPad or Kindle with catechist permission, they must also have parent permission for usage with the understanding that the device has only appropriate material.

Students are allowed to use electronic equipment owned by the parish or Holy Family Academy only when being supervised by a catechist or staff member.

Cyberbullying

Definition of Cyber Bullying: *Cyber Bullying is the use of electronic information and communication devices to willfully and repeatedly harm either a person or persons through the medium of electronic text, photos, or videos.*

Examples of this behavior *include* but are not limited to:

- sending false, cruel, vicious messages
- Creating websites that have stories, cartoons, pictures, and jokes ridiculing others.
- Breaking into an email account and sending vicious or embarrassing materials to others.
- Engaging someone in electronic communication, tricking that person into revealing sensitive personal information and forwarding that information to others.
- Posting of a student picture without their permission.

Bullying creates a hostile, disruptive environment on the school campus and is a violation of a student's right to be safe and secure. **Cyber Bullying and Harassment will not be tolerated.** Actions deliberately threatening, harassing, or intimidating an individual or group of individuals, placing an individual in reasonable fear of harm or damaging the individual's property; or disrupting the orderly operation of Faith Classes, will not be tolerated.

The online activities and technologies often used by students engaged in Cyber Bullying include but are not limited to social networking sites, chat rooms and discussion groups, instant messaging, text messaging, computers, cell phones and personal digital devices, digital cameras, cell phone cameras, and web cams. As new technologies emerge, they too may be included with the above forms of electronic communication.

ALL parents are encouraged to complete the Virtus compliance requirements in order to be able to volunteer in our programs. Anyone 18 and older must be Virtus compliant in order to work directly with children/teens (catechists, classroom aides, hall monitors, chaperones, drivers, retreat leaders...).

Catechists / Peers / Aides / Hall Monitors – The backbone of FTF programs is the involvement of hundreds of teens and adults who come forward and volunteer their time to serve in various roles. All volunteers complete applications attend training and formation and are in compliance with the Protecting God's Children program, which includes yearly background checks, completing a code of conduct and Virtus training.

Parent Advisory Board (see page 8). Contact Dr. Peg Hanrahan, phanrahan@holyfamilyparish.org

Mass Hosting - We encourage classes and families to take an active part during our liturgies as greeters, gift bearers, cross bearer or ushers. Our office along with catechists will coordinate a sign up schedule with the Worship office.

Service - Service is an important component of our faith. We provide several opportunities throughout the year, often integrated into our programs. Our hope is to help families make the connection between faith and the transformation of our world.

Teen led Sunday night Mass (see page 6)

Adult Catechesis – Model the importance of life-long faith formation for your children. Holy Family offers so many opportunities for nurturing and strengthening our adult faith. Why not think about joining a Small Christian Community (SCC) group, attending Adult Faith programs, becoming part of the RCIA process, or using the parent formation options on our parish website. Most importantly make Sunday worship a priority in your life and in the lives of your children.

***Statements in this handbook are subject to amendment with or without notice.
The Program will attempt to keep you informed of any changes as soon as practical.***
