## Fr. Terry Keehan

Last weekend we concluded a significant portion of the church year. This weekend we return to the portion of the year called **Ordinary Time**. Perhaps the best way to understand Ordinary Time in the church calendar is to review the long stretch that we have just concluded, a stretch that has been far from ordinary. Ordinary Time in the church calendar is comprised of 34 weeks and it is interrupted by others seasons and special events. This year, like every year, Ordinary Time gave way to Ash Wednesday, Lent, the Triduum, Easter and the Easter Season, and the feasts of the Trinity and the Body and Blood of Christ.

This year on Ash Wednesday, March 6, we began a truly special part of the year with the 40 day period of Lent, leading us into an invitation to Return through a Radical Journey of the Heart. That gave way to the most significant, important and holiest week that contained the Triduum of Holy Thursday, Good Friday, the Vigil and Easter Sunday, which was followed by the seven weeks of the Easter Season. As always, that season ended with Pentecost.

During the Easter Season, we were all invited to Return to New Life. Then the past two weeks we have focused on two important feasts, the Trinity and the Body and Blood of Christ. The past four months have basically been unique and marked by special church environment, rituals, the varying colors of purple, red and white. We now return to green, which helps us to see that this time of the church year, concluding on the first weekend of December when Advent begins, is a time of life. This Ordinary Time period of each year helps to tell the Jesus story through alternating gospels. In a three-year cycle we hear major portions of the synoptic (seen together, or similar) Gospels of Mark, Matthew and Luke. Portions of the Gospel of John are proclaimed throughout each year. This year we are hearing the Gospel of Luke as we are in year C.

Look for some hallmarks and themes from the Gospel of Luke. It includes women more than the others. It is more inclusive than the others, hoping to reach gentiles, pagans and Jewish people as its audience. Luke is written to present a clear chronological procession and journey toward Jerusalem. Luke was a physician, so some of the original text is presented in a very educated and well written manner. Remember, as in all good literature, the audience that is being written to is a significant part of understanding its message. Luke, like all of the books of scripture, is the inspired word of God, written out of that inspiration of

faith in God through Jesus Christ with emphasis on certain aspects of Jesus' identity and urging people to believe in God. It is STORY at its very best.

We here at Holy Family emphasize the word of scripture proclaimed during Mass as a key aspect of realizing Christ's REAL presence. We offer study of scripture and impact of the word of God, perhaps more than most Catholic churches. However, we never disconnect the proclamation of the word of scripture from the ritual of asking the Holy Spirit to change ordinary and simple bread and wine into the body and blood of Christ. Then, coming forward inspired by that word, we receive this sacred gift, taking it into ourselves literally and spiritually and then, hopefully, going forth being fed by it, nourished for the most significant mission of making the world a better place.

Last weekend we celebrated the feast of the Body and Blood of Christ. Remembering the importance of this feast is ideal as we now move to Ordinary Time. The feast helps us to remember that at least seven times throughout the Mass we say **Amen**. The church calls the Great Amen the one we say at the conclusion of the Eucharistic prayer. I say there are two great **Amens**: that one and the one we say when we receive the Body and Blood of Christ.

Permit me to share some thoughts about the word *Amen*. Some is the teaching of the church, some is mine. I can't distinguish between the two though.

Amen means three things. First, '*I believe.*' When we proclaim it, we are primarily making a statement of faith. Second, it means '*Yes.*' Particularly with the two great Amens, it is a verbal high five of affirmation: *Yes, that is the Body and Blood of Christ.* Third, it means '*Once again today, I am willing to be a part of the Body of Christ.*' In other words, '*I'm in this again today, and I am in THIS with others who share my belief and 'We are in this TOGETHER.'*' Amen is not just a statement; it is a commitment!

As we return to Ordinary Time, let's be aware of something we do regularly that is far from ordinary: the fullness of proclaiming Amen. It is one of the words that has not been translated into vernaculars or into each of the many languages around the world. When we say it, we are saying we are in this TOGETHER with the entire world, with people saying the same word, in response to the same Body and Blood of Christ, all over this great big beautiful world of ours.

Amen to that!!!

Don't forget, the 4:00pm Sunday afternoon Mass will be canceled throughout the month of July.

## Preparing for Next Week...

Click on reflections for Sunday Readings for 7-7-19 and listen  
to Fr. Richard Rohr reflect on the readings.

### 14th Sunday in Ordinary Time

1. What in life makes you rejoice with joy?
2. What "mother figures" have brought you comfort, both in body and in spirit?
3. Paul tells us: *"From now on, let no one make trouble for me; for I carry the marks of Jesus branded on my body."* How has your faith helped you deal with trouble?
4. Jesus tells the seventy: *"The harvest is plentiful, but the laborers are few."* Are we part of the "70" today? What is the harvest? What is our responsibility?
5. Have you ever been in a situation where you wanted to *"kick the dust off your feet?"* What happened and how did you handle it?

**SOCIAL JUSTICE QUESTION:** We are called to be ambassadors for Christ, which is not always an easy task. This means being Christ to others. Have you felt compelled to take a stand for another who was unable to speak for themselves? What challenges did you face?

**Electronic Giving** continues to have a significant positive impact on our budgeting and cash flow. As we complete our 2018-19 fiscal year our total number of electronic givers is **540** and represents **40%** of our Sunday contributions. While the number of electronic givers is up from 528 as of June 30, 2018 there are still many parishioners who have not yet made a commitment to electronic giving. We ask you to prayerfully consider electronic giving and help us reach our new goal for 575 for fiscal 2019-2020.

We want to thank all of our current electronic givers and remind you to grab an electronic giver card on your way in to church to place in the plate during the collection. Let's continue to be an example to everyone.

Is your relationship in need of a checkup or a conversation starter? The Catholic Couple Checkup is a great tool for helping you focus on your relationship and create goals for going forward, strengthening your bond and keeping dialogue open. If you would like a checkup for your relationship, visit [www.familyministries.org](http://www.familyministries.org) and take this confidential, online inventory that will explore your strengths as a couple and areas where you might benefit from discussion. It will also look at aspects of your personalities that might help in creating positive growth plans. For a small processing fee of 29.95, you will receive a detailed 20 page report with discussion items tailored to your specific needs. Separate inventories are available for couples who are dating, engaged, or married.

Do you want to complete your Sacraments?  
Do you know of someone who is interested in becoming Catholic?

Our formal RCIA process for adults who would like to be part of a warm spiritual community while becoming fully initiated Catholics will begin in September, but this is an opportunity to learn more about the process. Join us for some wine, cheese, and conversation in the Rectory. Bring any questions you have and please invite anyone you know who might be interested in learning more about our faith. There is no obligation attached to this meeting. It is an opportunity to learn more, in a very comfortable and relaxed setting, about what it means to become Catholic, to wonder out loud, and to meet our team. We'd love to talk with you.

# Beloved Retreat

The next Beloved Retreat will be held on November 1-3, 2019 at the University of St. Mary of the Lake in Mundelein. The Beloved Retreat is a lay led, comfortable, welcoming, open retreat that will give you a chance to be reminded that you are loved beyond comprehension by our God who wants to hold you through all that life brings your way.

Here are a few commonly asked questions about the Beloved Retreat:

### **Is the Beloved Retreat for married couples?**

The Beloved Retreat is for any adult who wants to attend! It is called the Beloved Retreat because it is focused on our Baptism and our understanding that we are BELOVED children of God. It is not a marriage retreat. It is for individuals, but married couples are welcome to attend together. Whether you are a young adult or have more life experience, male or female, single or married, religious or skeptic, hurt or healing, laid back or caffeinated, this is for you.

### **What is the cost of the Beloved Retreat?**

The cost of the retreat is \$195 per person. This is not the true cost of the retreat, but this low cost has been made possible by funding from last year's Gala! We also have "Beloved Angels" who have contributed to a fund for those who request scholarship. So, Beloved is AFFORDABLE! P.S. Please support the Gala so this ministry can continue to be possible for all!

### **Who leads the retreat?**

This retreat is led by members of the Soul Play team. They have led many retreats through Old St. Pat's Church in Chicago and have been developing teams outside of OSP to grow the ministry. The team for this retreat is also made up of Holy Family parishioners and staff members.

### **What are the rooms like at the retreat center?**

The rooms are all private, so you will be in your own room with your own bathroom if you attend alone. If you are attending with your spouse, you will be placed in a room together.

### **How do I sign up?**

Please contact Mary Whiteside at 847-907-3450 or [mwhiteside@holyfamilyparish.org](mailto:mwhiteside@holyfamilyparish.org) to have registration materials sent to you. You will be registered on a first come, first served basis after registration form with payment is received.

## End of Year Blessings

One of our parish school's treasured traditions is our end of year blessing as we begin summer break.

We give thanks for the teaching and learning that has taken place and for the talents and gifts that have been shared. We give thanks for the challenges that have been faced, the hurts that have been healed, and the respect and care that has been given. We are thankful for new friends and for the opportunity to grow in our faith. We are thankful for our community of teachers, students and parents.

We end each year with a special blessing that teachers give to each of their students, recognizing their many gifts and talents and thankful for our time together and memories to cherish. We also say good bye to treasured faculty, staff and students who are moving on.

Finally, we ask that God watch over us during summer break and bring us back together in August renewed and refreshed to continue our journey to become global thinkers, leaders grounded in faith.

# Human Concerns

## Who Are We:

The Task Force is an all volunteer, non-profit organization. It was formed in 2004 to address the appalling lack of housing for individuals with mental illness in the north and northwest suburbs. We are made up of area residents and representatives from four area chapters of the National Alliance on Mental Health (NAMI).

## Our Vision:

To improve the lives of people with mental illnesses by developing supportive housing in small apartment buildings in communities throughout the north and northwest suburbs, buildings close to a wide range of stores, near transportation and employment. We will work with area residents and community groups to make our projects successful.

## Problem in Illinois State and our North / Northwest Suburbs:

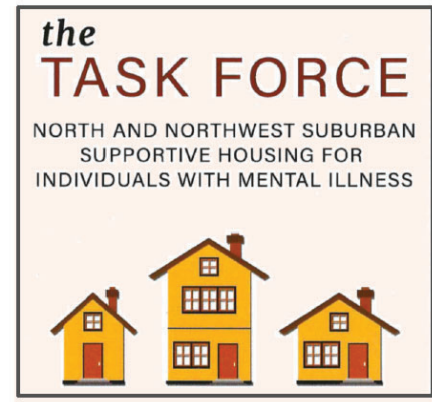

- Approximately 17,000 individuals with serious mental illnesses live in nursing homes, or Institutions for Mental Disease. Others live in inappropriate living situations, jail or experience homelessness.
- Many families have to care for their mentally ill family member at home, without proper skill or support.
- A lack of local housing options often force families to locate their mentally ill family member far from home.

## Solution:

- PSH—Permanent Supportive Housing helps people live stable, successful lives through a combination of affordable, permanent housing and supportive services appropriate to the needs and preferences of residents, either on-site or closely integrated with the housing.
- PSH is the least expensive and one of the most effective ways to house individuals with mental illness and help them towards recovery. (Nursing homes cost more than \$40,000 /person/ year; High quality PSH cost less than \$20,000/ person/year).
- PSH is an effective therapy. It allows a resident to have their name on a lease which can reduce
- PSH can improve lives. Research has shown that individuals in PSH need fewer services. During a one year tenure for residents: emergency room visits declined by 57%; emergency detox service declined by 85%; earned income increased by 50% and employment rose by 40% when provided with supportive employment services.

We greatly appreciate your support!

To learn more and make a tax deductible donation, visit our website: [www.housingtaskforce.org](http://www.housingtaskforce.org) or call 847-558-9917.

## Maintenance Needs Your Help!

**Do you know someone who could donate a boom or scissor lift for a week?**

During the summer months we try to get a number of cleaning or repair projects completed that we can't accomplish while school is in session. This summer we need both a boom lift and a scissor lift, each for a week duration. This equipment is expensive to rent. Do you know someone who would be willing to donate the use of either of these for a week and both help us complete these projects and save on our overall expense. Contact Bernie Schaeffer if you do at 847-907-3420.
