## Do You See What I See?

I am sure you are familiar with the melodic Christmas carol written by Gloria Shayne Baker and Noel Regney, a married couple, in 1962 entitled “Do You Hear What I Hear?” The song brilliantly blends together hearing, seeing and knowing that the child Jesus brings us “... goodness and light.”

Light in general, and certainly a very special star, plays a prominent role in the manifestation and revelation of the Incarnation of our God into human life at Christmas. This year is certainly a unique one on many fronts, but in the midst of much anxiety, tension, isolation, distancing, illness, death, economic strain, diminished work, loss of work, overwork and other things that come together to form the crisis that is 2020 – we hold fast to the belief that in Crisis, Christ is ... a very bright star.

You will see this year, specifically on December 21, a day that always marks the winter solstice, Jupiter and Saturn come together and share the reflective light of the sun to make a very bright appearance that has been referred to previously as the Christmas Star. It is referred to as such because of the brightness that is formed by the converging paths of two planets in their orbit around the Sun that has not happened since 1226 and won't repeat until 2080.

This astrological wonder is also believed to be the bright light in the constellations that signaled to the Three Kings the birth of a new and very special King. Christian conviction has used the story to tell that the coming together of cosmic objects signals not only the arrival of a King, but the greatest King, a King that kings adore, and thus give all humanity the calling to give away what we have to the mystery of an innocent child that grows to be our savior. These regal figures acknowledge the possibilities and sacredness of all life, which is a gift from God, and, through faith, becomes a gift that gives exponentially to make all life stronger, richer – even more sacred.

Jupiter and Saturn come together and give the appearance of one big star as their combined reflective light is much brighter than their individual ones.

One article that I read indicated that this celestial wonder should not be given any special significance or be interpreted as a sign from the heavens that this is a unique year. I disagree. I believe that this coming together of two planets in a multigenerational time frame is an example in its physics of what we all need right now spiritually. It is an indication of what we must do in this crisis. This year, more than ever, our paths must connect to reflect the light of our God. When we come together and reflect the light of life, we are much brighter. When we increase our care for each other, when we increase our awareness that we can fight a pandemic together by the simplest of behavior, we can limit the spread of an awful disease. If we do these things TOGETHER we can abate this disease sooner, and thus regain so many experiences that will bring us healing – economically, socially, spiritually, politically and educationally.

God's light is meant to be shared and when we come together we can reflect that light, share that light with a world that is darker than usual this year.

I have always believed that God is revealed in the timing of human events. This revelation, this epiphany, this manifestation urges us to be brighter than usual this year.

If you are reading this any time before 5:00pm Sunday, please consider driving to our west parking lot and participating in a tree lighting ceremony from the comfort of your car as we celebrate Holy Family's Drive-In Christmas.

Please register for Christmas Eve and Christmas Day Masses beginning December 15.

Please be aware that because of Covid we will NOT offer a Communal Reconciliation Service with Individual Confession and Absolution as we do each year. Reconciliation will be offered during Advent, as it ALWAYS is each Monday from 5-6:30, but we are adding Wednesdays between 1:00pm and 3:00pm as additional time for the Sacrament. Please register for a time in either slot.

The Adult Faith  
Community...  
supports the mission  
of lifelong learning by  
providing educational,  
spiritual, and  
formational activities  
for the parish and the  
community.

On December 1, almost 90 people joined together on Zoom with Dr. Terry Nelson-Johnson to kick off a powerful Advent season filled with the **HOPE** that God is with us, even in our chaos! Our God stands beside us (In Crisis, Christ IS) and walks with us. We have seen so many examples of Holy Family friends being Christ for one another in these difficult days. From dropping off care packages to those who are alone to providing Zoom meetings to visit with the homebound. Little surprises are popping up everywhere... and hearts are growing during this time of separation.

Thanks to all who attended this wonderful evening, and to all who have taken the message with them and found ways to give a little light to someone who is in darkness right now.

Advent blessings to ALL!

## Tune in with Terry

We will be taking a break during the month of November from our Tune in with Terry sessions. We invite you to mark your calendar for our December sessions:

**Wednesday, December 16, 2020 at 7:00pm –  
A discussion about Advent**

**Wednesday, December 30, 2020 at 7:00pm –  
A discussion about Epiphany**

If you haven't joined us for Tune in with Terry yet, it is a short presentation by Fr. Terry followed by relaxed and "come as you are" conversation on the topic of the night. We have found that this allows for great community time and a little freedom from all the things weighing us down. Please plan to attend and let's focus on the HOPE that comes at Christmas.

To register and receive your Zoom link, contact Mary Whiteside at [mwhiteside@holymfamilyparish.org](mailto:mwhiteside@holymfamilyparish.org)

**Stay tuned...Our Bible Journey program will return in January with one of our "back by demand" speakers, Elizabeth Nagel!**

## Bible Journey 2021

We are continuing with our tradition of offering Scripture study programs on weekday mornings through our Bible Journey program. This fall we enjoyed a beautiful program on the Psalms led by our own fabulous Anne Madsen. We are meeting on Zoom and we welcome all to join us. There is no fee for this program this year, but we appreciate your donations to Holy Family and encourage all of you to become electronic givers to help keep the work of the parish going strong! Please call our main office line at 847-359-0042 and ask for our finance office if you would like to begin donating electronically or visit our website.

Stay tuned for topic details on our January program with a returning favorite, Elizabeth Nagel, Ph.D. We look forward to exciting learning opportunities ahead!

If you would like to be added to our email list for any Scripture study offerings, please contact Mary Whiteside at [mwhiteside@holymfamilyparish.org](mailto:mwhiteside@holymfamilyparish.org).

## Create Family traditions and memories that will last a lifetime!

Advent is traditionally an important time at Holy Family for Faith Families, with Bethlehem Market and the Christmas Eve children's Mass, being the highlights of the season. This year, social distancing due to the pandemic will challenge the very traditions so many look forward to -- *and especially the traditions that many need after the year we've had*

### Be bold; be inventive this Advent

**# 1 Attend Holy Family's First Annual Christmas Tree Lighting – tonight, Sunday, Dec. 13 from 5-5:30 pm.**

**#2 Advent Sidewalk Art.** People of all ages like to create with chalk and look at sidewalk chalk art, and it can be used to share the message with others — so why not give a gift to your neighbors this year of **Advent Sidewalk Art**. Make it a neighborhood project.

**# 3 – Create a Christ the Light Walkway-** Line your front walk driveway with luminaries for the Fourth Sunday of Advent or Christmas Eve – displaying your belief in Christ as the light of the world.

**#4 Sign up for Catholic Brain's free Advent program** – great interactive on-line resource for Catholic kids with songs, games, animated videos, and Bible stories for the season of Advent/Christmas [www.catholicbrain.com/campaign/1172954/2020adventprogram](http://www.catholicbrain.com/campaign/1172954/2020adventprogram)

**# 5 Use Christmas Cards as Prayer Reminders** - As Christmas cards arrive during December, place them in a basket in a noticeable area. Once a day, pull out one card and pray for that person or family together.

### The Human Concerns

#### Community...

offers assistance with life's basic needs, spiritual and emotional support as well as additional resources with partners in our community while promoting mercy and justice by putting our faith into action.

### Solidarity

We are one human family whatever our national, racial, ethnic, economic, and ideological differences. We are our brothers and sisters keepers, wherever they may be. Loving our neighbor has global dimensions in a shrinking world. At the core of the virtue of solidarity is the pursuit of justice and peace. Pope Paul VI taught that if you want peace, work for justice. The Gospel calls us to be peacemakers. Our love for all our sisters and brothers demands that we promote peace in a world surrounded by violence and conflict.

It is good for people to realize that purchasing is always a moral — and not simply economic — act. Hence the consumer has a specific social responsibility, which goes hand-in-hand with the social responsibility of the enterprise. Consumers should be continually educated regarding their daily role, which can be exercised with respect for moral principles without diminishing the intrinsic economic rationality of the act of purchasing... It can be helpful to promote new ways of marketing products from deprived areas of the world, so as to guarantee their producers a decent return. *Charity in Truth (Caritas in Veritate)* . . . ), #66

### Prayer of Unity by Thomas Merton

Oh, God, we are one with You. You have made us one with You. You have taught us that if we are open to one another, You dwell in us. Help us to preserve this openness and to fight for it with all our hearts. Help us to realize that there can be no understanding where there is mutual rejection. Oh God, in accepting one another wholeheartedly, fully, completely, we accept You, and we thank You, and we adore You, and we love You with our whole being, because our being is in Your being, our spirit is rooted in Your spirit. Fill us then with love, and let us be bound together with love as we go our diverse ways, united in this one spirit which makes You present in the world, and which makes You witness to the ultimate reality that is love. Love has overcome. Love is victorious. Amen.
